

## 97.303 | iSee2 Kwik n Klean Total Tools | Cleaning

### Features

A high performance degreaser that enables you to remove all kinds of residue **in one single action**, including dirt, wax, tectyl, light silicone, cock-pit spray and many more.

This unique formula can be used to remove adhesive residue from surfaces to be cleaned. A highly user friendly cleaner with a **multi-function spray head** (spray and stream), and suitable for cars, glass, plastics, ceramics and all non-porous surfaces.

### Application instructions for the iSee2 kwik n Klean

Spray onto a cloth, preferably our 97.300 | Microfiber Cleaning Cloth and rub the surface to be cleaned.

Wipe off with a clean dry cloth and repeat if necessary.

Make sure you use a new dry cloth to clean the surface so you don't push the dirt from one place to the next.
